

*At the Service of the Family for Life*

Marycrest is a not-for-profit 57-bed skilled nursing facility founded in 1956 by James Francis Cardinal McIntyre for the care of the frail and elderly.

Situated on the highest point of Culver City, Marycrest enjoys a panoramic view of the Pacific Ocean, the Santa Monica Mountains, Los Angeles International Airport, and the beautiful City of the Angels, Los Angeles.

Marycrest offers the unique blend of 24-hour nursing care in a tranquil, serene and home-like setting.

The Carmelite Sisters, together with a dedicated staff of coworkers, are committed to promoting the dignity and sacredness of life at all stages.

“Such institutions (Homes for the Elderly) are indeed praiseworthy, and experience shows that they can provide a valuable service when they are inspired not only by organizational efficiency but also by loving concern.”
